

Stony Hill Farm is a certified organic farm, growing a wide range of vegetables and flowers for our CSA and roadside farmstand on one acre of fields in Wilbraham. We embrace biodiversity and use low-till growing practices to promote climate resiliency. We strive to cultivate an inclusive, transparent, and supportive work environment. We value work-life balance. And we take great pride in growing vegetables that people are excited to eat!

Job Description: Field Crew

To apply, send your resume and an introductory email to stonyhillfarm01095@gmail.com telling us why you'd be a good fit.

Review of applications will begin April 10. Positions will remain open until filled.

Hours and Schedule:

- Flexible, 10-20 hours/week, typically 7:30-12:30 on weekdays
- mid-May through August; fall hours may be available

Compensation

- \$18/hour
- Paid wellness leave accrued at 1 hr per 30 hours worked, capped at 40 hours annually. Must be used as outlined in Employee Manual
- Worker's Compensation
- Weekly CSA Share

Job Summary

Field Crew members take part in all farming activities, including bed preparation, seeding, transplanting, weeding, mulching, trellising, irrigation, harvesting, washing, and packing. This position may also be involved in property maintenance and setting up farm stand displays. All training is provided as part of the job. This is a great opportunity to learn about sustainable agriculture and intensive vegetable production while gaining hands-on skills.

Requirements

- At least one season of outdoor work experience; farming experience preferred, but not required
- Comfortable working independently or in a group
- Demonstrated ability to follow directions, respond positively to feedback, and communicate needs
- Understand the need for speed, efficiency, and attention to detail
- Ability to harvest field crops and transplant for up to 5 hours at time, and bend, turn, carry, and frequently lift up to 50 pounds. Work can be repetitive and physically demanding.
- Ability to dress for the weather and work outside in all weather conditions, including heat, cold, wind, and rain
- Punctuality and reliable transportation
